THD00402EU | Targus Click-In™ Case for iPad® 2

The CLICK-IN™ Case for iPad 2 with auto sleep/wake function is desirable feature rich slim-line case.

The slim foldable front cover easily folds back and converts into a stand allowing you to view all your content and take advantage of Apple's FaceTime video calling application, hands free. A super-soft interior lining protects your screen from scratches.

Simply click-in your iPad 2 into the snug fitting had shell back cover to ensure complete protection for back of your tablet.

The front cover automatically wakes up and put your iPad to sleep.

Lightweight, slim-line and feature rich – CLICK-IN™ case for iPad 2.

Hard shell back fits snugly around the back of the iPad protecting the back and sides

Slim line front cover folds back to form a stand for easy viewing / typing

Hard shell allows access to all iPad functionality – speakers, camera etc, whilst in situe
